

2019 Scholastic Art & Writing Awards

Civic Expression Award

About this Special Achievement Award:

The Civic Expression Award, underwritten by the Maurice R. Robinson Fund, provides six students whose works best promote responsible civic life with \$1,000 scholarships.

What is civic engagement?

Civic engagement requires community members to be informed about their rights and responsibilities, to appreciate the history and fundamental processes of American democracy, to recognize and be respectful of different views, and to seek to solve problems on behalf of the public good.

Works by artists and writers shape their communities' understanding of issues and articulate the possibilities of what their world could become.

About the Scholastic Art & Writing Awards:

For nearly a century, the Scholastic Art & Writing Awards have recognized the vision, ingenuity, and talent of our country's youth. Administered by the Alliance for Young Artist & Writers, a 501(c)(3) non-profit, the Awards reach out to hundreds of thousands of students in grades 7–12 (ages 13 and up) and provide them with opportunities for recognition, exhibition, publication, and scholarships.
